Euro PM2020 Exhibition Area – Restrictions

Please be aware of the following restrictions:
The exhibition area has a weight limit of 400kg/m². The exhibition area has a height limit of 4m throughout the hall.

The Centre for the PM Industry to meet in 2020

The Euro PM2020 Congress & Exhibition will take place in the Lisbon Congress Centre (CCL), Lisbon, Portugal.

Alongside the Euro PM2020 Industry Exhibition will be the Euro PM2020 Congress, which will showcase technical presentations and content that will attract a European audience of key industry professionals, some of whom may be your current customers and many more who could be your next!

Located within the conference centre, and with easy access to the Technical Sessions, delegate dining and refreshment facilities, the Euro PM2020 Exhibition will be the ideal location for positive and profitable delegate and exhibitor integration.

The Euro PM2020 Congress & Exhibition will be the only event in Europe in 2020 to cover all aspects of Powder Metallurgy and related sectors such as Additive Manufacturing, Hard Materials and Diamond Tools, Hot Isostatic Pressing, Metal Injection Moulding, New Materials, Processes and Applications and Press and Sinter and represent the entire PM related supply chain, making it an event not to be missed!

Important Dates and Information

Ensure you reach the maximum number of potential customers and book your exhibition stand before the start of April 2020 to be included in the Euro PM2020 Congress & Exhibition Technical Programme distribution, which is distributed to named industry contacts.

Should any exhibitor or potential exhibiting company wish to familiarise itself with the MECC pictures and videos showing the exhibition area are available upon request. Please contact exhibition@epma.com for further details.
