CAMPFIRE MEETINGS

What is a **Campfire Meeting**?

- Small in size but large in content, relaxed meeting to discuss a particular topic for 30 minutes
- Led by a facilitator, participants discuss the topic organically to drive the discussion
- Opportunity to share expertise

Why Should I **Participate**?

- Knowledge share
- Problem solving
- Advanced networking

How do I **Participate in a Campfire**?

Become a **Facilitator**

- Suggest a topic for discussion via call for topics in advance of Euro PM2020 at www.europm2020.com/campfires
- Lead the discussion during the allocated time slot
- Tick the 'Interested to Participate in Campfire Discussions' on the Euro PM2020 registration form

Become a **Participant**

- Tick the 'Interested to Participate in Campfire Discussions' on the event registration form
- View the list of submitted campfire discussions
- Attend any that you are interested in (please note, these are small focussed meetings, a maximum participation number might apply)

Where will the **Campfires Be Held**?

An area has been allocated adjoining the Euro PM2020 Exhibition.

How Will I be **Kept Informed about the Campfires**?

- The final schedule will be published in the Technical Program
- The Euro PM2020 Mobile App will show the confirmed Campfires enabling you to add them to your onsite schedule.

Organised and Sponsored by

**EURO
PM2020**
